

BASIC Clinical Research Course

This two day workshop developed and run by leading ICU researchers will introduce to the concepts of:

- Research process
- Research question
- Literature review
- Ethics
- Research protocol

This course is aimed at anaesthetic registrars, junior consultants, allied health professionals planning to make research part of their non-clinical portfolio.

The workshop will consist of small interactive group tutorials and skill stations. Pre-course reading will be provided.

Date: 10-11th February 2025

Venue: Museum of Literature Ireland, 86 St Stephen's Green, Saint Kevin's, Dublin, D02 XY43

Cost: € 250.00 – Numbers are limited
